Visit the **oldest city of Tyrol, Rattenberg** at the Inn! The place with its medieval ambience lies at the foot of a 10th-century castle. Meeting point is in front of the office at 10.00 am. Together we go to the glass grinder Kolb, then continue to the beautiful town of Rattenberg, where we can watch glassblowers. (Those who are not so good on foot can also take the **free regio bus to Rattenberg**).

Afterwards we will visit the **apple strudel show** in **Café Hacker**. Every participant will get a piece of **apple strudel** and **coffee**. Of course, there is still time for a leisurely stroll through the city.

### Saturday, 22 June 2019 - MOUNTAINS IN FLAMES!

Let yourself be surprised today. During beautiful weather, the traditional **midsummer bonfire** takes place. **We celebrate the longest day of the year**. When you see light strings over mountain passes, crosses, hearts and other symbols light up under mountain tops after nightfall, then you know it's **the shortest night of the year** - the **midsummer night**. The „burning mountains“ give us all unforgettable impressions.
